ⁱ Annual Rental value – fixed in 17th Cent. Useful for comparing relative values of adjoining properties.

There is no street numbering in the Schedules but the address can be determined by comparing with entries in Street Directories. In the period from 1800 to 1819 Henry Jacobs was occupying both 25 and 102 Petticoat Lane, but No 102 does not appear in Directories until Holden's Triennial Directory of 1805/07. The property referred to in the Schedule as Peticoat Lane (between Sun Court & Black Bell Lane) is therefore likely to be 25 Petticoat Lane.

iii Sir Sidney Meadows (1701-1792). His portrait by George Stubbs, painted in 1778, is in the Royal Collection:

^{iv} This entry may be for part of a year and would be consistent with the Assessment which is roughly half of the assessment for a full year. Alternatively, Henry Jacobs may have taken a short lease on a second, smaller property.
